Encouraging wise choices for life issues

I am beyond blessed for all of the blessings I have had the honor of experiencing all of these years. I have the most precious memories that will forever be in my heart. I am moving on to experience new adventures this LIFE has for me.

This ministry will always have a special place in my heart and I would be honored if you choose to continue to support it. Our ministry will be merging with Next Step (Formerly Valley Pregnancy Center) and Michelle Kelly will be your new contact person. Their website is <http://next-step.org/> if you want to go take a peek :-). Michelle will be introducing herself and updating you soon. You will absolutely love her.

There are no words to properly thank all of you who have supported our efforts and allowed me to do what I loved for so many years. I wept as I packed up all the pictures and photo albums to bring home with me. It's overwhelming!

As for me...I have been bodybuilding for over a year now and studying to be a personal trainer at Fitness 19 here in Livermore. I hope to be certified and training by Spring. I would be honored to help in any health #goals you might have. Your prayers are appreciated as well. I have not had to study in a long time lol!

May God bless you for blessing those in such great need.
Blessings,
