

"Oh, that you would bless me and
ENLARGE MY TERRITORY!"

1 Chronicles 4:10

We have some very exciting news to share! The beginning of 2020 brought a tremendous opportunity to expand our territory indeed! We are now managing the Livermore Pregnancy Resource Center location, and in a few weeks it will reopen as Next Step Livermore.

Tina Harrell, the Founder and Executive Director has felt called out of this season of ministry. (Her farewell letter to her supporters is attached.) Next Step is honored to partner with Tina during her transition and continue the legacy of Livermore Pregnancy Resource Center through Next Step.

Next Step Pleasanton is our main location. Regular office hours in Pleasanton will remain the same at this point. We will spend the next several weeks transitioning the Livermore location and will update you on the grand opening of Next Step Livermore along with a list of our expanded programs, services and hours.

May you and your family enjoy the start of a new year!
Michelle Kelly
Executive Director
Next Step
